

Citizen Journalism Open House

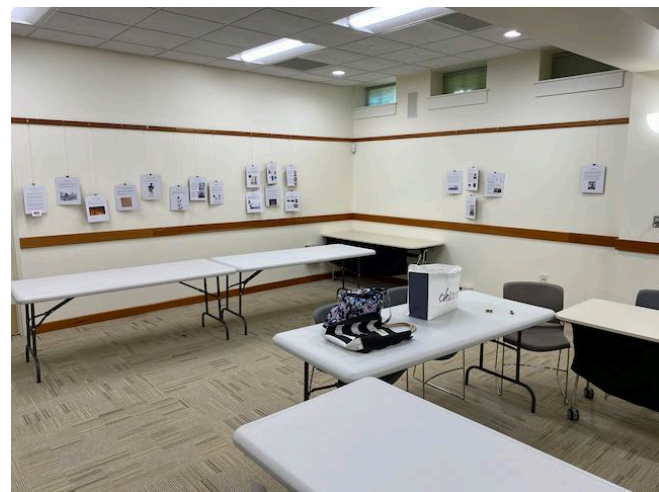

Tuesday, June 27, 2023

Maynard Public Library, Roosevelt Room
6:30 - 9:00 PM

Do you miss having a local newspaper in Maynard? Instead of trying restart one, what if we think of entirely new ways to share news in town?

Join community news activist Glenn C. Koenig in an informal gathering to talk about Citizen Journalism, toss some ideas around, and enjoy some snacks and refreshments.

Meanwhile, visit the Roosevelt room to see an exhibit of news media throughout history, up to the present day. Did you know that the Pony Express (which carried newspapers as well as mail) went bankrupt after only 18 months? Other fascinating stories are ready for viewing with more panels to be added soon.
